

◆ IFM PRIVATE EQUITY FUNDS

WE BELIEVE
THE BEST WAY TO IMPROVE
RETURNS FROM A BUSINESS IS TO
IMPROVE THE BUSINESS.

As a world leading investment manager that invests over \$30 billion* globally on behalf of many super funds, Industry Funds Management actively focuses on supporting the growth and transformation of small to medium sized businesses through private equity investment. We have invested in a range of Australian businesses to help them grow into market

leaders and generate returns for our investors. Investing in Australian businesses through private equity can make a long term positive difference to your fund. To find out more about IFM's Private Equity funds, contact Eddy Schipper on 03 8672 5315 or visit our website www.ifm.net.au

IFM's Private Equity funds are not available to retail investors and do not have a PDS. Investment in the funds can only be made by eligible superannuation funds and institutional investors. Consider a super fund's PDS and your objectives, financial situation and needs, which are not accounted for in this information before making an investment decision.
